## Shire News

### Staff Updates

**Ron Scantlebury** will commence on 1 March 2018 in the position of **Executive Manager Corporate & Community Services** on a six month contractual arrangement. Ron brings a wealth of experience having previously worked in similar positions at the former Town of Northam, Shire of Esperance and Shire of Harvey.

Congratulations to **CRC Trainee, Jezaire Kelly**, for successfully completing her traineeship. Jezaire's dedication and commitment to her studies and position meant she completed all requirements of the **Certificate 3 of Business** a month early. Jezaire will continue her career with the Shire of Laverton as she commences a new position with the **Community Resource Centre** in early April.

**Aaliyah Tuhakaraina** has tendered her resignation. We thank Aaliyah for her efforts whilst working at the **Shire Administration Office** and the **Community Resource Centre** and wish her well in her future endeavours.

### Laverton Hospital Upgrade and Laverton Community Hub Projects

As previously advised, in May 2015, **Terry Redmond** (the then Minister for Regional Development), announced funding of \$19.5M through the **Royalties for Regions (R4R)** program to fund the development of a new Hospital in Laverton. In June 2016 Council entered into a **Financial Assistance Agreement** with the **State Government** for an amount of \$8M from the **Royalties for Regions (R4R)** program for the **Laverton Community Hub project**.

Subsequent to the change of **State Government** in Western Australia in March 2017, the new **State Government** withdrew funding from many of the previously **R4R** grant funded projects due to the **State's** economy being in a worse position than was previously known, and unfortunately this included withdrawal of the \$19.5M previously allocated for the **Laverton Hospital Upgrade**.

Following a visit to Laverton on 13 December 2017, by the **Deputy Premier, Hon Roger Cook MLA**, the **Minister for Health, Hon Alannah MacTiernan MLC**, the **Minister for Regional Development**, and the **Member for Mining and Pastoral Region, Hon Kyle McGinn MLC**, Council

has received correspondence from the **State Government** proposing that \$4M of the \$8M funding originally allocated under the **R4R** program for the **Laverton Community Hub project** be redirected and reallocated towards the development of a new Hospital in Laverton.

Once the Minister's letter was received, the Shire President, Deputy President and the Chief Executive Officer had discussions with the Minister's Advisory Officer, Mr Cole Thurley, and with representatives of the Goldfields Esperance Development Commission on the future of the Community Hub Project.

The discussions were quite positive in that if Council is supportive of the Ministers' proposal, then the Development Commission and Department of Primary Industries and Regional Development (DPIRD) have given an undertaking to assist in whatever capacity they can to progress the Hub project as a staged process and with future grant applications to enable the future stages as Council endeavours to commit.

At the present time there is funding available for the Hub project totalling \$5,928,272. Council has proposed that this funding be utilised for a Stage 1 of the Hub project incorporating upgrade of the Aquatic Centre (pool and new buildings), and for renovations/improvement works at the Community Hall. We are currently in discussions with the DPIRD finalising a variation to the original grant agreement. In addition the architects are finalising amended plans for Council approval and then we can go to tender.

### **Aged Accommodation Project**

Unfortunately the provision of Aged Accommodation in the Hospital upgrade has had to take a backseat in the initial stages of the aforementioned negotiations, however the Minister has directed Goldfields Esperance Development Commission staff to assist Council in seeking funding opportunities for this project and we have begun working on a business plan which hopefully will result in a positive outcome.

### **Main Street Project**

We are pleased to advise that whilst it has taken somewhat longer than was ever anticipated, this project has now been completed. The new town entry statements and main street upgrades provide a fresh approach into the Laverton townsite and we have received a number of extremely positive comments from visitors.

### **Recent Tenders:**

**RFT 11/17 Airfield Lighting Upgrade**

**RFT 12/17 Bandy Road Culverts**

**RFT 14/17 WANDRRA Road Flood Damage Repairs**

The tenders for the aforementioned projects were awarded at the Council meeting held on Thursday 22 February 2018. The successful tenderers have been notified and it is anticipated works will commence in the near future.

**CHIEF EXECUTIVE OFFICER**

**SHIRE OF LAVERTON**  
**Full Time/12month**  
**Traineeship**  
**Laverton Community Resource Centre**

The Shire of Laverton seeks expressions of interest to fill a full time 12 month Traineeship with the Laverton Community Resource Centre.

The Community Resource Centre is seeking a person who is well presented and keen to commit themselves to a traineeship for a period of 12 months. During which time they will receive on the job training under the guidance of the CRC Manager in the role of 'assistant' along with studying either a certificate 3 or 4 in business through a registered training organisation.

The main tasks will include customer service, assisting the CRC manager with program and event planning, assist in the operation of the Laverton public library when needed, along with clerical tasks, department of transport, overseeing the compilation of the monthly magazine and study requirements of the certificate in business. The position requires reliability, good time management and organisation skills, a confidence to work unassisted on tasks with a willingness to learn and be trained in the day to day running of the CRC. The applicant needs to be community minded with a desire to work as part of the Community Development Team. The salary will be in accordance with the Shire of Laverton Enterprise Bargaining Agreement 2017.

Applicants can collect a position description from the Shire of Laverton Administration Office at 9 MacPherson Place, Laverton or by contacting Robyn Smith on (08) 9031 1202. Applications should include a cover letter addressing your suitability to the position and current résumé. Applications are to be marked "Confidential – CRC Traineeship" and should be addressed to the Finance and Administration Manager, Shire of Laverton, PO Box 42, Laverton WA 6440 and submitted either in person or via email to [hr@laverton.wa.gov.au](mailto:hr@laverton.wa.gov.au).

Applications close at 4pm on Friday 30<sup>th</sup> March 2018.

Hello Readers,

Welcome to the March edition of the Sturt Pea Magazine. The Community Resource Centre hosted the 6th annual Teddy Bears Picnic on Wednesday 28th February 2018. We had 15 children aged 0-5 years attend the event and 11 adults. Evidence of the fun which was had on the morning can be found on pages 10 & 11.

The Community Resource Centre has some business and economic workshops coming up in early April and May. The subjects covered in the workshops are; Developing a Business Plan, Understanding Business Financials, Resume Writing and addressing Cover Letters and Selection Criteria. Details on pages 14-16.

The Library Officers at the Community Resource Centre have been busy working closely with the State Library of Western Australia to establish and introduce their wide selection of eResources to Laverton Library. I am happy to announce that eResources are now available and can be added to your electronic device through a Laverton Library membership. The Library has also recently introduced a free computer service for the community to access the State Library of Western Australia's Ancestry and Storylines programs. These two programs are great for family history research. Further details on pages 22 & 23.

The Laverton Community Resource Centre has been busy working closely with the Great Beyond Visitor Centre in coordinating the upcoming Laverfest Celebrations which will be held on Friday May 25th, Saturday May 26th and Sunday 27th May. A poster for the festival is on page 12, more detailed information will be coming out in the near future.

The Better Beginnings Story and Rhyme Time early literacy program continues every Wednesday morning, 10am, at the Community Resource Centre. All parents/carers and children aged 0-5 years are welcome.

The March Seniors Morning Tea will be held at 10am, Thursday 29th March at the Community Resource Centre. This program is open to all Seniors, we love to welcome new faces.

The Community Resource Centre is happy to announce that our Trainee Jezaire Kelly has successfully finished her Certificate 3 of Business and has therefore completed her traineeship. Jezaire is the 3rd successful Community Resource Centre Trainee, congratulations Jezaire! The Community Resource Centre is now advertising for a new trainee, details on the application process can be found on the Shire of Laverton website and on page 7 of this publication.

Sadly the Community Resource Centre has to farewell CRC Assistant Aaliyah Tuhakaraina. Aaliyah commenced work with the CRC as a Trainee in 2016, she has since worked as a CRC Assistant and Shire Receptionist. The Community Resource Centre thanks Aaliyah for her work efforts over the years and wishes her success and happiness in all future endeavours.

Enjoy the read.

## Discussion– **INTRODUCING BEE'S TO LAVERTON?**

### Should we introduce bees to Laverton?

We are looking for expressions of interest to introduce bees to Laverton. This unique opportunity will help Laverton slowly grow back all of the lost shrubs, flowers and important plants that keep our town green and our environment looking fresh. Would you be interested in fostering a bee hive?

Local Resident Henry Pawlaczyk has contacted Alkoomie Honey in Kalgoorlie to make enquiries into fostering a hive their response was;

This is definitely something we would be keen to do.

The first thing that needs to be determined is that the community has enough flowering plants and trees to sustain the hives all year round.

Things do drop off around winter but they still need to have access to nectar for them to survive over this time.

( This is generally not a problem in town as people have plants that flower over the winter months )

At present we are in the process of re queening some of our hives which we like to do before putting them into people's back yards,

I think at this stage we would have between 6 or 8 hives re queened and ready to go within 8 to 12 weeks.

Please let us know If the town folk are keen to let our bees become part of your community,

If you have any questions or concerns contact Henry Pawlaczyk (08) 9031 1145

## 2018 Teddy Bear's Picnic

On Wednesday 28 February 2018 Children and Bears of all kinds gathered on the grounds of the Laverton Leonora Cross Cultural Association to partake in the Laverton Community Resource Centre's *Teddy Bear's Picnic*. The picnic is an annual event, 2018 being its 6th year and is delivered through the Laverton Better Beginnings Story and Rhyme Time program which is an early literacy initiative through the State Library of Western Australia.

The morning consisted of face painting, bubble blowing, pass-the-parcel, dancing, stories and a delicious morning tea. Thankyou to the parents/carers who brought their little ones along. Thanks to Laverton Police Senior Constable Matt Parsonson for being our guest reader, LLCCA for allowing us to use your grounds and to the Community Resource Centre staff and Great Beyond Visitor staff.

# Pet Corner

By Jezaire Kelly

## STERILISATION

Sterilisation is a growing concern in and throughout the world, with animal shelters becoming so full they are not able to accept animals. In Australia alone, the RSPCA received around 137,000 animals nationwide throughout the 2016- 2017 financial year. This has risen from the 2012-2013 financial year by 9,100 animals in difference. Sterilisation is an important part of owning your animals, many benefits come with sterilising your pet including health benefits, registration benefits and it also keeps down the numbers of pets that are being given to the RSPCA each year.

1: Most animals in the animal shelters are due to unwanted litters, from pets that haven't been sterilised. The most common reasons for abandoning animals is because of boredom, inability to afford vet bills, vaccinations, food or other treatments such as worming .

2: For the 2016-2017 financial year alone, approximately 20,326 animals from the RSPCA were euthanized, due to behavioural problems, medical problems and other reasons that could have simply been avoided if their parents were sterilised. 5,763 of these were dogs, and 14,563 were cats. 1,734 of these were other animals, such as livestock and wildlife.

3: Every litter born in your home adds to the problem by stopping a rescue being adopted. There are no guarantees that the animals in the litter wont be abused or fall back into the rescue system - this adds pressure to not only yourself, trying to find suitable owners but also the rescue centre who often have to put down animals because of this.

4: Un-sterilised males can become aggressive and will often wander in search of females, which can then result in fights and other females contracting FIV, Sepsis and other diseases which can be life threatening to your pets.

5: Registration of your animals is cheaper. This is a win/win as sterilising your animal not only improves their health but to register your pet is a legal requirement and compulsory by law. (See Below - as per the Shire of Laverton's schedule of fees and charges).

Dog Registration (Set by Dog Regulations 2013)				I-052130

Issue No. 9

# Beauty Spot.

By Aaliyah Tuhakaraina

Hello beauties, and welcome to Beauty Spot.

In this issue I want to talk about colour correcting and how taking this extra step in your makeup routine can change the way you do your makeup forever!

Enjoy the read,

- Aaliyah ♥

Colour Correcting is a relatively “new” trend that’s taking the beauty world by storm! You’ve probably seen it everywhere, from YouTubers’ colourfully painted faces to the cute pastel palettes from your most beloved makeup brands. Here are a few common Q and A’s about colour correcting.

## WHAT IS COLOUR CORRECTING?

Makeup artists define colour correcting as the technique of using colourful primers, powders, and concealers to correct issues with your skin tone. Unlike regular concealers and foundations that simply cover imperfections, these green, lavender, yellow, and coral-hued formulas help target issues like redness, under eye circles, dullness, dark spots by cancelling them out with opposite shades on the colour wheel.

## WHO IS IT FOR?

Colour correcting is not necessarily for makeup newbies or minimalists—chances are, you can solve your beauty dilemma with the well-known combination of foundation and concealer. But if you’re dealing with more serious skin issues—like discoloration, acne scars, rosacea, or dark spots—then colour-correctors make total sense.

## WHICH COLOURS DO WHAT?

Think of the colour that you want to correct (purple under eye circles, for example) and then look for the shade positioned directly across from it on the colour wheel—that’s the one you should go for. Keep in mind that lighter shades work best on fair skin, while deeper shades are the perfect match for darker skin tones. (Refer to the photo on the next page for a good guide on which colours do what).

## HOW CAN I INCORPORATE IT INTO MY ROUTINE?

I recommend you apply a correcting concealer (LA Girl Pro Concealers are a personal favourite) or a correcting primer (Stila One Step Correcting Primer is my go to) underneath your everyday foundation and concealer by using your fingertips to apply a tiny amount of product only on those spots that require extra TLC. Next, apply your go-to foundation or BB cream with a brush or a beauty blender and, as a last step, apply a sheer concealer.

To lock your makeup down you can set your face with a powder but that is optional.

## Laverton Library News

For the last month staff within the Laverton Library have been busy setting up some new and exciting services for the community of Laverton to take advantage of. Laverton Library now has a range of eResource apps for you to download onto your phone.

### What is an eResource?

eResources is a new way that you can read, and listen to books using technology such as a phone, tablet or computer. The apps consists of books, magazines, movies and **documentaries. And the best news... It's FREE!**

### How it works?

To be able to use this service you will need to firstly visit the Laverton Library, located in the Community Resource Centre and make sure to bring your desired device with you. Using your library membership details a Library officer will assist you in downloading the app/s onto your device-**if you don't have a Library membership a Library Officer will sign you up.** Once the download is complete you are ready to start borrowing online.

Much like a Library, you have a set amount of days (7, 12, 21 days) to read, watch or listen to the borrowed e-resource, once the allotted time is up the e-resource will automatically be removed from your device. You can also extend the borrowing time by renewing the e-resource before the allotted time is expired.

### What apps are available?

There are currently 4 apps available:

#### Libby

This app provides ebooks and audio books.

#### Borrow Box

Borrow Box is similar to Libby providing a variety of ebooks and audio books.

#### RB digital

Want to read your favourite magazine? Well now you can download it straight **to your phone or tablet. The best part about this app is you don't have to pay** for the magazine and there is no time limit to read it. Once you download it you have for however long you decide.

#### Kanopy

Feel like watching something? Kanopy is a streaming service that has more than 26,000 films, ranging from documentaries, indie and foreign film, classics and blockbuster movies. You get borrow up to four movies per month.

## **Don't have Wi-fi?**

**That's alright, as a Library member** - visit the Library and one of our friendly Library Officers will assist you in utilizing our Wi-fi in order to allow you to download an eResource.

In addition to eResources, Laverton Library has introduced a FREE public computer with the following 2 programs available:

### 1. Ancestry (*library edition*)

**Ancestry provides the tools to track family history and has 1,000's of documents** including voting records, birth, death and marriage records.

### 2. Storylines

Storylines is an online archive managed and hosted by the State Library of Western Australia, with advice and guidance provided by an Aboriginal Reference Group with ongoing state-wide consultation. It allows users from all around the state to engage with Aboriginal stories, language, perspectives and history.

The Storylines Database has more than 2,500 photographs from around the state, as well as a number of oral histories, family trees, historical documents and other media files. Items on Storylines are sorted by different criteria including people, places, collections and language groups. There are more than 3,800 people identified in the system.

Visit the Laverton Library and a Library Officer will be happy to assist familiarising you with the programs.

The LLCCA & Laverton Drug Action Group (LDAG) are pleased to announce that our **“Community through our Eyes” youth exhibition** and the **“Safe In LA” stop motion project** are both finalists for the **Western Australian Alcohol & Other drugs Excellence awards**. The winners will be announced in Perth on the 21st of March.

What a great outcome for our community, to see all that hard work from everyone be recognised!

We are also happy to announce that **Roslyn Sullivan’s painting was chosen** for the **annual Revealed exhibition at the Fremantle Arts Centre**. Kasey Hedlam, Ceciley Morrison and Roslyn will also take part in professional development workshops with artists from across WA.

If you’re in Fremantle around the 6th/7th of April, call in and have a look at the exhibition. There will also be the **Market day on Saturday 7th of April**.

The talented international **photojournalist Martine Perret is working with Mrs Doreen Harris to be featured in an exhibition in October**, which will celebrate the cultural significance of language in the Goldfields. Martine has been recording stories in native language, and capturing portraits of Mrs Doreen Harris.

**Artists’ Professional Development workshops** -The LLCCA & Laverton Outback Gallery will have Tim Pearn, specialist Art Coordinator working here in March and over the next 6 months . He will be working with artists to refine their skills in their art and assist them to increase their profiles, and sales of their work.

## HON ROBIN SCOTT MLC OF KALGOORLIE-BOULDER Member for Mining and Pastoral

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Robin is immensely proud of his trade, and for more than 30 years he worked as an electrical contractor to the WA mining industry, especially in the Goldfields. Robin has logged 4,000 hours in his Rockwell Commander, flying himself and his staff to electrical contracting assignments.

Robin is an enthusiastic campaigner for creating job opportunities through more apprenticeships for young men and young women. Pauline Hanson's One Nation policy is for subsidising apprenticeships 75% in the first year, 50% in the second year and 25% in the third year.

Robin Scott moved the Disallowance Motion which on 12 December 2017 defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote the gold industry and is presently campaigning for the reopening of the Norseman and Coolgardie offices of the Mining Warden.

Robin's priorities for 2018 include:

- Clean drinking water for remote communities
- MRI Scanner for the Kalgoorlie-Boulder Hospital
- New hospital for Laverton
- Aged care facility for Leonora
- Sealing of the Wiluna-Meekatharra Road
- Boosting apprenticeships
- Payroll Tax concessions for business with less than 100 employees; 50% reduction for businesses more than 100km from Perth and zero payroll tax for businesses more than 1,000km from Perth.

# COLOUR IN THE EASTER EGG

# Roast Carrot and Haloumi Tacos

## Ingredients:

- 1 red capsicum, thinly sliced
- 4 carrots, peeled into ribbons
- 3 teaspoons ground coriander
- 100g haloumi, thinly sliced
- 1 teaspoon grated lime rind
- 1/2 cup shredded iceberg lettuce
- 1 lime, cut into wedges, to serve
- 1 large red onion, cut into thin wedges
- 1 1/2 tablespoons extra virgin olive oil
- 8 taco shells
- 200g tub natural yoghurt
- 1 tablespoon lime juice
- 1/3 cup fresh coriander sprigs

1. Preheat oven to 200C/180C fan-forced. Line a large baking tray with baking paper. Place capsicum, onion and carrot on prepared tray. Drizzle with 1 tablespoon oil. Sprinkle with 2 teaspoons ground coriander. Toss to coat. Bake for 20 minutes or until golden and tender.
2. Meanwhile, heat taco shells following packet directions.
3. Heat remaining oil in a frying pan over medium-high heat. Cook haloumi, turning, for 2 minutes or until golden.
4. Combine yoghurt, lime rind and juice, and remaining ground coriander in a bowl.
5. Fill tacos with lettuce, carrot mixture, coriander and haloumi. Serve with yoghurt and lime.

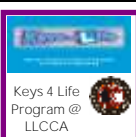

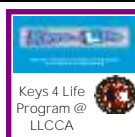

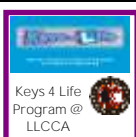

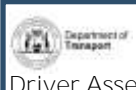

### CHANGING TASTES.

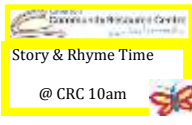

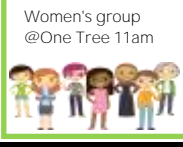

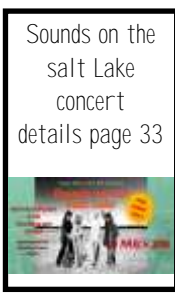

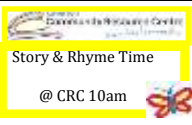

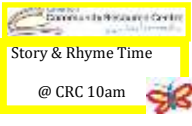

These days, it seems there's such a fuss,  
About which foods are bad for us.  
What's worse, I notice with dismay,  
The list grows longer every day.  
They're all the things I miss the most.  
Yorkshire pudding, Sunday roast,  
Mash and bangers, eggs and ham,  
Warm scones with home-made jam,  
Toast with butter thickly spread,  
Beef dripping on new, fresh baked bread.  
Cheese and chicken are suspect too..  
I really don't know what to do.  
Obediently, when I was small.  
What mother served, I ate it all,  
It seems to me now I am old,  
I still must do as I am told.  
I'm close to three-score and ten,  
I shan't see sixty-five again.  
Since everything I ate was wrong,  
I marvel that I've lived so long.
