Laverton Community Resource Centre News- September 2019

Hello Readers and Welcome to the September edition of the Sturt Pea Magazine.

What is coming up?

- The Driving Assessor will be in Laverton on Monday 23 September - pre bookings are essential
- World Literacy Day Wednesday 11 September, 10:30am @ CRC -Story & Rhyme Time
- Seniors Morning Tea Thursday 26th September, 10:00am @ CRC
- Story and Rhyme Time, Wednesday Mornings, 10:30am
- Grant Writing workshop- Wednesday 23 October, 2-4pm @ CRC

Book week was celebrated at the CRC on Wednesday 21 August through the CRC's early literacy Story and Rhyme Time program. The theme this year was 'Reading is my Secret Power' and the children who attended enjoyed books, rhymes, craft and a special 'Super Gem Quest' obstacle course throughout the CRC collecting little treasures along the way. Details on pages 8-9

On Wednesday 11 September the CRC will be recognising International Literacy Day through the early literacy Better Beginnings Story and Rhyme Time program through production of a picture book illustrating local children who attend our program showcasing the activities the program offers each week. If your child is in this book, be sure to come along for the first group reading.

Coming up on Wednesday 2 October is a Community Color Run which will be held on the oval. The Color Run is a Laverton Local Drug Action Group Community initiative in recognition of the International Day of Nonviolence and is being supported by the Shire of Laverton CRC and other local organisations. Families are encouraged to come along and join in, details on page 6.

INTERNATIONAL LITERACY DAY

Literacy & Multilingualism

International Literacy day is celebrated annually on September 8 every year. This year will be celebrated through the theme Literacy & Multilingualism. The United Nations will discuss the important characteristics of Multilingualism in today's world in order to achieve greater inclusion for multilingual contexts, E.G - more understanding and recognition of other languages.

How can we celebrate?

- Read a book, to yourself or to others.
- Book fair!
- Learn a new language
- Visit your local library
- Tell others about the importance of Literacy and what International Literacy day is.
- Post on social media - #internationalliteracyday

Did you know?

- Worldwide, 12% or 775 million adults are considered functionally illiterate.
- South Sudan is the worlds least literate country in the world. - with a literacy rate of 27%. Approximately 70% of children aged 6-17 years have never set foot in a classroom.
- Approx 115 million primary school aged children around the world are not enrolled in school.

Save the date: 8 September 2019

Why is literacy so important?

Literacy is the ability to be able to read, write, speak and listen in a way that allows you to communicate and understand effectively. Literacy is one of the most valuable and useful skills that you can have.

Studies show that 44% of Australians don't have the literacy skills they need to cope with everyday life.

The Laverton Community Resource Centre will be recognising International Literacy Day on Wednesday 11th September through our early literacy Better Beginnings Story & Rhyme Time Program!

BOOK WEEK 2019

On Wednesday 21 August 2019 the Laverton Community Resource Centre celebrated Book Week 2019 through their early literacy Better Beginnings program. The morning involved dancing, rhymes and stories, followed by a 'Super Gem Quest' obstacle course throughout the CRC which integrated with this years theme: Reading is my superpower. The children enjoyed the adventure, wearing capes, masks and collecting small treasures along the way. The obstacle course involved bubbles, tunnels, a snake pit and robots! Once the children 'defeated' the robots they were rewarded with a treasure from the Super Gem Tree. After the busy quest a delicious morning tea was enjoyed by all. Thank you to all of the little superheroes and parents / carers who attended the event, we hope you had as much fun as we did!

2019 SHEILA LAVER AWARD NOMINATIONS ARE NOW OPEN

The Sheila Laver Award is a prestigious award recognising people with leadership qualities who have made significant efforts in improving the quality of life for Laverton residents.

The Award is named in honour of Miss Sheila Laver, granddaughter of Dr Charles Laver and a pioneer of the Laverton district. Miss Laver was a former resident and strong supporter of Laverton. The inaugural Award was presented to Miss Laver in 1989 in recognition of her services to the community.

Nominations must be submitted on the official Nomination Forms which will be available from the Shire Office, the Great Beyond Visitor Centre and the Community Resource Centre.

Nominees are expected to be people who have:

- ☆ Made a significant contribution to the community;
- ☆ Inspiring qualities as a role model;
- ☆ Demonstrated leadership on a community issue resulting in enhancement of community life;
- ☆ Made a significant initiative which has brought about positive change and added value to community life.

The closing date for acceptance of nominations is 4:00pm on **Friday 11th October 2019** and the announcement of this year's recipient and presentation of the Award will be made in October as a part of the Laverton Race Day activities.

The health of children is a key advocacy target for the Public Health Advocacy Institute of Western Australia (PHAIWA). The Children's Environment and Health Local Government Policy Awards originated following the Environment and Health Advocacy Forum – an event organised by PHAIWA in March 2009.

In 2018 the Shire of Laverton were the winner of the 'Children Making a Difference in Local Communities' category. In 2019, we have been named as the winner of not one but two categories – 'Aboriginal Child Health' and 'Child Health & Development'. PHAIWA utilise a Local Government Report Card system to evaluate program quality and reported as follows for Laverton in these categories:

Aboriginal Child Health - WINNER

The Shire of Laverton shows strong forward planning with specific strategies which recognise the importance of culture and community in improving the health and well-being of Aboriginal children and their families. The Shire hosts a suite of programs involving different age groups which gives the opportunity for children and the community to share and learn about Aboriginal culture, language, develop leadership skills and build resilience. It is pleasing to see the level of importance the Shire places on consultation and feedback from the community when developing programs.

Child Health & Development - WINNER

The Shire has submitted an excellent application with strong policy around the health and development of the community including actions specific to children and young people. The project evolved from thorough community consultation, not only providing a practical solution to a problem highlighted by young people, but also providing life skills which can then be shared with family and others in the area. The Shire clearly values partnerships and community consultation adapting to the unique circumstances and situations which arise from living in such a remote location. It would have been of interest to detail how consultation is undertaken with the Youth Council.

41 Local Governments nominated in the 2019 awards with 6 first time entrants. The awards were presented by Minister David Templeman at a ceremony held during the recent WA Local Government Association Convention in Perth and were accepted for the Shire by Cr Patrick Hill, Shire President, and Ms Jo Morgan, Community Development Manager.

BUSH FIRES ACT 1954
2019/20 Bush Fire Notice
SHIRE OF LAVERTON

NOTICE TO ALL OWNERS OF LAND SITUATED IN THE SHIRE OF LAVERTON

TAKE NOTICE that pursuant to section 33(4) of the *Bush Fires Act 1954*, where the owner of land who has received notice fails or neglects to comply with the requisitions of the notice within the time specified, the Shire of Laverton may by its officers and with such servants, workmen and contractors, vehicles and machinery as the officers deem fit, enter upon the land and carry out the requisitions of the notice which have not been complied with and pursuant to section 33(5) of the *Bush Fires Act 1954*, the amount of any costs and expenses incurred may be recovered from you as the owner of the land.

Owners of land are reminded it is their responsibility to ensure the Bush Fire Notice is complied with and that the requirements of the Bush Fire Notice will be strictly enforced by the Shire.

FIRE PREVENTATIVE MEASURES

Pursuant to the powers contained in section 33 of the *Bush Fires Act 1954*, you are hereby required to:

- Clear of flammable material firebreaks not less than 3 metres in width immediately inside all external boundaries of any lot owned by you and situated within the **Shire of Laverton**
- Clear completely of all flammable material (save buildings, structures and fences) any lot owned by you and situated within the **Laverton Town Site**.

Such clearing may be constructed by one or more of the following methods:

SLASHING, PLOUGHING, CULTIVATING, SCARIFYING, RAKING, BURNING, CHEMICAL SPRAYING OR OTHER APPROVED METHOD, and are to be cleared to the satisfaction of an Authorised Officer of the Shire. In addition, you may be required to carry out further works which are considered necessary by an Authorised Officer of the Shire and specified by way of a separate written notice forwarded to the address as shown on the Shire of Laverton rates record for the relevant land.

In some instances, naturally occurring features such as rocky outcrops or natural watercourses and landscaping such as reticulated gardens or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with an Authorised Officer of the Shire and approved by the Shire of Laverton in writing. For the purpose of this notice grass kept at a height of less than 5 centimetres at all times covered by this notice will be deemed not to be flammable material.

All clearing and other alternative arrangements allowed by the preceding parts of this notice **must be established by 15 October 2019** (or within 14 days of you becoming the owner should this occur after that date) and maintained clear of flammable material until 1 April 2020.

APPLICATION TO VARY THE ABOVE REQUIREMENTS

If it is considered impracticable for any reason whatsoever to take fire preventative measures or establish other arrangements as required by this notice, you may apply in writing to the Shire of Laverton not later than 1 October 2019 for permission to carry out fire preventative work in alternative positions on the land. If permission is not granted by the Shire you must comply with the requirements of this notice. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the *Bush Fires Act 1954*.

THE PENALTY FOR FAILING TO COMPLY with this notice is a fine of \$250, and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this notice if it is not carried out by the owner prior to the date required by this notice.

The responsibility for ensuring the protection of your property is yours. Proper preparedness for the fire season will enhance the capacity for you, your family and property to survive a fire should one occur. Fire preparedness measures are a defensive method of ensuring survivability from within your property boundary. This may be achieved by a variety of measures which include:

Cleared firebreaks and driveways: have the capacity to slow the progress and contain fires as well as provide access for emergency services.

Hazard reduction: burning, slashing, mowing and chemical treatment have the capacity to reduce the amount of flammable material on your property. The less fuel available to burn during a fire, the less intense the fire.

Natural features: such as rock outcrops usually have little flammable material on them. Natural features may be used in conjunction with other firebreak installation methods, such as linking them with constructed firebreaks and driveways, and as containment zones for hazard reduction burns.

Reticulation: Where specialized pastures are established under reticulation, this may, on application, be accepted in lieu of firebreaks provided the pasture is kept green.

RESTRICTED BURNING PERIOD 1

1 OCTOBER TO 31 OCTOBER 2019 (INCLUSIVE)

Permits to burn are required during this period for hazard reduction burning.

Alternative firebreak applications to be submitted by 1 October 2019.

Firebreaks must be installed by 15 October 2019.

Please note that penalties apply where burning regulations are contravened or permit conditions are not complied with.

PROHIBITED BURNING PERIOD

1 NOVEMBER 2019 TO 31 MARCH 2020 (INCLUSIVE)

All burning, including garden refuse is prohibited during this period.

Properties to be maintained clear of flammable material until 1 April 2020.

RESTRICTED BURNING PERIOD 2

1 APRIL TO 30 APRIL 2020 (INCLUSIVE)

Permits to burn are required during this period for hazard reduction burning.

Please note that penalties apply where burning regulations are contravened or permit conditions are not complied with.

Certain climate or weather conditions may cause these periods to be extended or shortened. You must check the press for details or call the Shire Office on 9031 1202 before commencing to burn.

REGULATORY INFORMATION

PERMITS

Permits are required to burn bush or grass at any time during the Restricted Burning Period. Permits are available from the Shire of Laverton Administration Office.

INCINERATORS

Incinerators must not be lit during the Prohibited Burning Period. Incinerators may be lit at other times provided the Fire Danger Rating is not Very High to Catastrophic. Incinerators must be properly constructed and designed to prevent the escape of any sparks or burning material. They must be located in an area at least 2 metres away from any building or fence and from which all flammable material has been removed and kept cleared.

WELDING/CUTTING APPARATUS

If you are using a welder or operating a power operated abrasive cutting and or grinding disc of any kind, you must have at least one fire extinguisher present and be surrounded by a five metre firebreak.

INSPECTIONS

An inspection of properties to ensure fire prevention work and hazard removal measures have been carried out will be completed by an authorized officer on or after 15 October 2019

GARDEN REFUSE

During the Prohibited Burning Period, garden refuse must not be burnt at any time.

During the Restricted Burning Period, garden refuse may be burnt during the day before 6 pm with a permit, subject to conditions.

Garden refuse may also be burnt without a permit after 6 pm during the Restricted Burning Period provided certain criteria are met. Set out below are legislative requirements from the *Bush Fires Act 1954* and the *Health Act 1911* in relation to burning together with a number of helpful suggestions. The legislative requirements have been prefixed with an asterisk. These as a minimum must be followed:

- * The pile of refuse does not exceed 1 cubic metre
- * An area 5 metres wide is cleared around the pile. (Lawn, driveways, paths etc. may be considered as cleared area)
- * The fire is only lit between 6:00 pm and 11:00 pm
- * The fire is completely extinguished by midnight
- * At least 1 person is in attendance at all times. There is a means of extinguishing the fire available at all times / e.g. garden hose, knapsack spray or fire unit)
- * The Fire Danger Rating is not Very High to Catastrophic
- * The smoke from your fire does not cause a nuisance to neighbors and or traffic
- * Do not burn plastics, other household or commercial waste
- * Do not burn wet or green piles of material at any time as this will cause excessive smoke.
- Only 1 pile is alight at one time
- You notify your neighbors of your intention to burn

During periods other than the Restricted or Prohibited Burning Periods, garden refuse may be burnt. For safety reasons you are encouraged to follow the same requirements stipulated above.

PENALTIES

Section	Offence	Penalty
33(3)	Failure to comply with bush fire notice	\$250
25	Offences relating to lighting a fire in the open air	\$250
15(2)	Applying to another bush fire control officer for permit where permit already refused	\$250
17(12)	Setting fire to bush during prohibited burning period	\$250
24(D)	Burning garden refuse when fire danger is extreme or very high	\$250
24(G)	Burning garden refuse contrary to Ministerial or local government prohibition or restriction	\$250
24B(3)(a)	Failure to produce permit to burn	\$100

Other penalties may apply as specified in the *Bush Fires (Infringements) Regulations 1978*. Major offences may result in court action with penalties ranging from \$2,000 to \$250,000 and/or imprisonment.

GENERAL INFORMATION

KEEPING YOUR HOME SAFE FROM FIRE

There are a number of ways you can keep your home safe from fire –

- Install smoke detectors in your home
- Clear vegetation away from the walls of your home
- Clear all rubbish and inflammable materials from around your home and create a circle of safety free from flammable material (save buildings, structures and fences)
- Store all firewood, timber, petrol etc. well away from your home
- Prior to summer, clean all leaves and debris from your gutters
- Don't have flammable trees, such as conifers, near buildings
- Trim all branches that overhang the house, power lines and those that are close to windows and glass doors
- Fit wire insect screens or shutters to windows and glass doors

**HON ROBIN SCOTT MLC
OF KALGOORLIE-BOULDER
Member for Mining and Pastoral**

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Immensely proud of his trade, Robin has worked for more than 30 years as an electrical contractor to the WA mining industry, especially in the Goldfields. Flying himself and his staff to electrical contracting assignments, Robin logged

4,000 hours in his Rockwell Commander, the aircraft he now uses to service his constituents in the vast Mining and Pastoral Region.

Robin is an enthusiastic campaigner for job opportunities through creating more apprenticeships for young men and young women. The Federal Government has partially embraced the Pauline Hanson's One Nation policy of subsidising apprentice wages 75% in the first year, 50% in the second year and 25% in the third year.

Robin Scott moved the Disallowance Motion which defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote mining and led the defence against water charges for prospectors and small miners.

Robin's priorities for 2019 include:

- Water pipeline south from the Kimberley
- Sealing the Wiluna-Meekatharra Road
- Insist on rapid delivery of the promised MRI machine for Kalgoorlie
- Big upgrade for palliative care for the Goldfields
- Aged care facility for Leonora
- New hospital for Laverton
- Push the Federal Govt to abolish Fringe Benefits Tax for remote area workers
- More jobs through quicker approvals for mines

FATHER'S DAY

In honour of this Father's Day we will be taking a look into the history of this special day.

Though Father's Day wasn't made a national holiday until 1972, the story of two women and their efforts first sparked the movement to celebrate dads long before then.

The first known celebration of Father's Day occurred in Fairmont, West Virginia, on July 5th 1908. Grace Golden Clayton suggested to the minister of her local Methodist church that they hold a service to honour and celebrate all fathers, after a deadly mine explosion that killed 361 men. However the observance did not become an annual event and was not promoted, very few outside the local area knew about this event.

The other story of the first Father's Day happened all the way on the other side of the country in Washington State, on July 19, 1909. Sonora Smart Dodd came up with the idea to honour and celebrate fathers while listening to a Mother's Day sermon at church. Sonora felt as though Mothers were getting all the acclaim while Fathers were equally as deserving of a day of praise. When Sonora's father, William Smart, a veteran of the Civil War, was left a widow after the death of his wife while giving birth to their sixth child, went on to raise their six children alone on their small farm in Washington. Sonora felt there should be a day to show appreciation for her father and other fathers like him. She initially suggested June 5th, the anniversary of her father's death to be the designated day to celebrate Father's Day but due to bad planning the celebration was deferred to the third Sunday of June.

While Father's Day was celebrated locally in several communities across the country, support to make the celebration a national holiday began almost immediately, however no official action was taken. In 1966 Lyndon B. Johnson, through an executive order, designated the third Sunday in June as the official day to celebrate Father's Day. However, it wasn't until 1972, during the Nixon administration, that Father's Day was officially recognised as a national holiday.

Other countries also picked up on the idea of Father's Day. While many followed suit by celebrating it on the third Sunday in June, some decided to honour father's on different dates.

Here's a list of the dates Father's Day is celebrated across the world.

- **March 14**– Iran
- **March 19**– Bolivia, Honduras, Italy, Lichtenstein, Portugal, Spain
- **May 8**–

SEPTEMBER'S TOP BOOKS

Based on a retreat that Thich Nhat Hanh led for Westerners, this book offers a range of simple, effective practices for cultivating mindfulness, including awareness of breathing and walking, deep listening, and skilful speech. 'You Are Here' also offers guidance on healing emotional pain and manifesting real love and compassion in our relationships with others.

YOU ARE HERE by THICH NHAT HANH & SHERAB CHODZIN KOHN (TRANSLATOR)

Why are humans, who are motivated by self-preservation, also motivated to engage in behaviours that threaten and even extinguish their existence? The present work has given thought to this question and examined the phenomenon of self-destruction through the perspectives of empirical psychology, psychoanalysis, analytical psychology, as well as existential-phenomenological psychology.

ELEMENTS OF SELF-DESTRUCTION by BRENT POTTER

What does it mean to be growing up male right now, when ideas about masculinity are in flux and power differences between the sexes are shifting? In *Boy: What It Means to Become a Man in the 21st Century*, award-winning Canadian journalist Rachel Giese connects with readers on both sides of the gender divide as she investigates how we can support boys to become their fullest and most honest selves.

BOYS: WHAT IT MEANS TO BECOME A MAN by RACHEL GIESE

Why did Aborigines not become farmers? How did a penal colony change peacefully to a democracy? Why was Australia so prosperous so early? Why did the Australian colonies federate? What effect did convict origins have on national character? Why was the post-war migration programme a success? Why is Australia not a republic?

AUSTRALIAN HISTORY IN SEVEN QUESTIONS by JOHN HIRST

Rhodes highlights the successes and failures that led to each breakthrough in energy production; from animal and waterpower to the steam engine, from internal-combustion to the electric motor. He addresses how we learned from such challenges, mastered their transitions, and capitalized on their opportunities. Rhodes also looks at the current energy landscape, with a focus on how wind energy is competing for dominance with cast supplies of coal and natural gas. He also addresses the spectre of global warming, and a population hurtling towards ten billion by 2100.

ENERGY by RICHARD RHODES

In free verse, Anderson shares reflections, rants, and calls to action woven between deeply personal stories from her life that she's never written about before. Searing and soul-searching, this important memoir is a denouncement of our society's failures

SHOUT by LAURIE HALSE ANDERSON

In the summer of 1967, rioting and civil unrest starts to tear apart the city of Detroit. Two days later, a report of gunshots prompts the Detroit Police Department, the Michigan State Police and the Michigan Army National Guard to search and seize an annex of the nearby Algiers Motel. By the end of the night, three unarmed men are gunned down while several others are brutally beaten.

Hearty Potato Salad

Serves 4

Ingredients

- 680g small red potatoes, cleaned and unpeeled
- Fine sea salt to taste
- 1/2 cup of mayonnaise
- 1/2 a lemon, juiced
- 2 teaspoons of Dijon mustard
- 1/4 cup red onion, finely chopped
- 2 hard boiled eggs, coarsely chopped
- 1/4 teaspoon smoked paprika
- ground black pepper, to taste
- 1/3 cup of dill pickle, coarsely chopped
- 2 table spoons of chives finely chopped, plus more to garnish

Method

1. Place the potatoes in a large pot with enough water to cover them by 5 cm, cover and bring to a boil over high heat.
2. Once boiling, season with salt, reduce the heat to medium, and cook until the potatoes are tender, 25-30 minutes. Drain and set aside to cool
3. In a large bowl, whisk together the mayonnaise, lemon juice, dijon mustard and paprika. season with 1/2 teaspoon of salt and 1/2 teaspoon of pepper.
4. Dice the potatoes and transfer to a separate large bowl, along with the onion, eggs, pickles and chives. Season with salt and pepper to taste. Pour the sauce over the potatoes and toss to coat evenly. Sprinkle with chopped chives, for garnish.
