# **Executive Summary**

## **2019/20 Budget**

## MESSAGE FROM THE SHIRE PRESIDENT

I am pleased to present to you the Shire's 2019/20 Budget, which marks the start of yet another exciting period for Laverton and the continuation of projects for the community. This year, the seventh under the Integrated Strategic Planning (ISP) Framework, is as a result of a major review as required by legislation, of the Shire's Strategic Community Plan, Corporate Business Plan and Long Term Financial Plan.

The Shire's regular approach of preparing a balanced budget is again a hall mark for the 2019/20 financial year. Funding to achieve a balanced budget across both operating and capital expenditure comes from a variety of sources including grants, reserve fund monies and of course property rates.

The Council has advertised a differential rate and thus ensure that the commitments to the community through the strategic planning mechanisms can be met and enhanced. The council is mindful of the capacity of people to meet their commitments as the council meets its own for the community.

The minimum rates have been increased by \$11 from \$304 to \$315 per assessment with an overall rate increase of 3.5% across the board and further adjusted by increase and decreases in the valuation of properties. The Council advertised the differential rates in June 2019 and in the wash up, council did receive one submission which will be addressed during the adoption of this year's budget. Whether this is correct or incorrect, the Council has made decisions to move forward with the proposed differential rates and at the end of the year it would be pleasing to report of the meeting of these commitments and reporting back to the community.

The rubbish collection service fee has been increased by \$8.00 to \$238.00 per service which covers the collection costs but not the overall management of the waste disposal facility.

The following are notable features of the 2019/20 budget:

- Laverton Community Hub including the swimming pool and hall are both near finalized with the final payment to be made in this financial year with an official opening date to be advised.
- The continuation of the renovation of the Laverton Cemetery with a further contribution of \$30,000 following last year with the renewal of the boundary fencing, shelters including gazebo,
- The continuation of the sealing and upgrade of the Mt Weld Road, sealing approx. 24 klms with assistance from the mining companies with an overall predicted cost of \$4.8 million
- Great Central Road, this has been taken over by Main Roads and the Council will keep the community informed through regular updates as they are known
- The council continues with flood damage works on several roads with approx. \$1.772 million of works outstanding.
- The commissioning of the solar lights along the path from town to Wongatha Wonganarra Village.

- Support of festivals and activities within the Shire such as Australia Day, Anzac day, Laver Fest etc.
- Enhancements to the Great Beyond and the Explorers hall of Fame
- Continue with the plant replacement program to ensure that the council has a modern and updated equipment to meet the needs of the community
- Upgrade of the Airport apron and parking areas with a consultant engaged to plan for a future upgrade of the terminal as passenger and aircraft numbers increase
- The overall roads program and attention to the town site continues to consume a major portion of the council's budget.
- A number of areas including the water tank, coach house, old court house will be receiving upgrades or renovations to these community assets
- The council continues to support medical services to the town and the hospital and in this year will fully support the medical services from within the rate base as equity for all contributions is shared across all ratepayers.

The Council is involved in so many activities than even the council finds it hard to keep up with them.

The adopted budget by its very nature is a lengthy and complex document which can be difficult to follow due to Council's very wide and diverse range of responsibilities. I trust the following will enable you to gain a better understanding of Council's plans for 2019/20.

In conclusion, I would like to acknowledge the efforts of my fellow Council members who have contributed towards the formulation of the budget and to thank the CEO and his team for their involvement and compilation of the budget document.

Overall, I commend the 2019/20 budget to you and look forward to the projects, programs, facilities and services detailed within it being delivered to the ratepayers and residents of the Shire of Laverton.

Copies of the adopted budget are available at the Shire Office and the CEO and his staff will be pleased to assist if you have any questions.

**Patrick Hill**  
**President**

## Preparing the Budget and Setting the Rates

The *Local Government Act 1995*, (“the Act”) directs local governments to prepare an annual budget. In preparing the budget, a local government is required to prepare detailed estimates of:

The expenditure and the revenue and income independent of general rates (see information following) and the amount required to make up the deficiency between the expenditure and the income in that year. Which is the general rates. Once the deficiency is established, the local government is then empowered by the Act to levy rates on the land within its district to meet this deficiency.

Table 1 offers a comparison of rates yields from 2018/19 to 2019/20 financial years which also shows the distribution of rates under the differential model.

**Table 1**

| Budgeted 2018/19       |                      |                     |                       |          |                    |
|------------------------|----------------------|---------------------|-----------------------|----------|--------------------|
| <u>General</u>         | 2018/19<br>Valuation | No of<br>Properties | 2018/19<br>Rate in \$ | Min Rate | Cash Budget<br>\$  |
| GRV – Town Site        | 2,447,648            | 177                 | 0.1132                | 304      | 277,072            |

| GRV – Mining           | 20                   | 1                   | -                     | 315      | 315                |
| UV – Pastoral          | 1600                 | 3                   | -                     | 315      | 945                |
| UV – Mining            | 330,328              | 341                 | -                     | 315      | 107,415            |
| UV – Mining Shared     | 1,420                | 12                  | -                     | 158      | 1,896              |
| <b><u>Total</u></b>    |                      |                     |                       |          | <b>\$5,386,900</b> |

This method of rating by the Act is valuation based, with valuations supplied by the Valuer-General. Land in town sites is valued under a Gross Rental Value (GRV) system and land outside of the town sites valued on Unimproved Values (UV). Mine sites in the rural area that have accommodation villages and processing plants are “spot” rated based on GRV. The relativities between the respective valuations for each property or land parcel then determines how much each landowner must pay compared to other landowners.

The council’s rate income has moved both due to the small part on the differential rate and the major change is the increase in overall valuations of mining within the Shire of Laverton. It appears to show a major increase from 18/19 to 19/20 financial years, however, the council has received approval from the minister to rate two further mining companies which has resulted in a significant increase in 2018/19 financial year to \$4,815,844. However, after provision is made for rates discount, concessions and various penalty charges, the total to be made up from rates moves downwards to \$5,199,900 when compared to the final figures in 2018/19. The net gain is therefore expected to be \$384,056 more than the previous year and the council is writing back some \$110,000 to the mining companies who have supported the medical services to the Shire of Laverton, therefore the rate increase is further revised to \$274,056

## CAPITAL EXPENDITURE

Expenditure falls within two broad categories. These are either Capital expenditure or Operating (or recurrent) expenditure.

Capital expenditure is expenditure that creates or adds to the wealth of the Shire. This is generally expenditure where the Shire’s assets are improved or new assets are created. This could be seen as expenditure that is being invested in the Shire of Laverton.

In this financial year, Capital expenditure totals \$27,309,433 and the following table shows the decrease from the 2018/19 financial year.

| Capital Expenditure        |   |          |   |
|----------------------------|---|----------|---|
| Governance                 | 0   |          | 0   |
| General Purpose Funding    | 0   |          | 0   |
| Law, Order & Public Safety | (25,000)  |          | (129,800)   |
| Health                     | 0   |          | 0   |
| Welfare & Education        | (170,200)   |          | (54,000)  |
| Housing                    | (738,000)   |          | (753,069)   |
| Community Amenities        | (30,000)  |          | (309,500)   |
| Recreation & Culture       | (6,628,790)   |          | (6,350,881)   |
| Transport                  | (54,874,338)  |          | (15,105,033)  |
| Economic Services          | (458,245)   |          | (4,287,150)   |
| Other Property & Services  | (132,128)   |          | (320,000)   |
|                            | <b style="background-color: yellow;">(63,056,701)</b> | <b>0</b> | <b style="background-color: yellow;">(27,309,433)</b> |

The notable exclusions from this year’s budget under Transport, Recreation and Culture are:

- Great Central Road - **\$40.50 million** allocated 2018/19 to nil as taken over by Main

Roads which is a continuation of the sealing program for another 50 klms with income provided by the Commonwealth and State governments.

- Flood damage works - **\$11.0 million allocated 2018/19** to **\$3,105,395** on various roads with income through the State government
- The Community Hub with an allocation of **\$6,500,000** approx. down to **\$674,000** which represents the outstanding payments for the completion of the complex
- Replacement of plant and equipment - **\$640,000**

Other Road works:

- Seal Mt Weld/Merolia/Racecourse – continuation of this project **\$1.772 million** with an overall cost in the vicinity of \$4.8 million with contributions from the mining companies.
- Gravel sheeting of Old Laverton Rd, Bandy Rd, Lancefield Diversion Rd and Laverton Mt Margaret Rd totaling **\$512,059**

### CAPITAL INCOME

The Capital income (see table below by asset classification) for these major projects is matched from grant funding, the councils own resources from either reserves or borrowings and matching funding from stakeholders. The figures have a difference from the expenditure to income ratios, however the overall income does not include the carry forward funds (pre-paid grants) from the previous year which will balance out any difference between the income and expenditure.

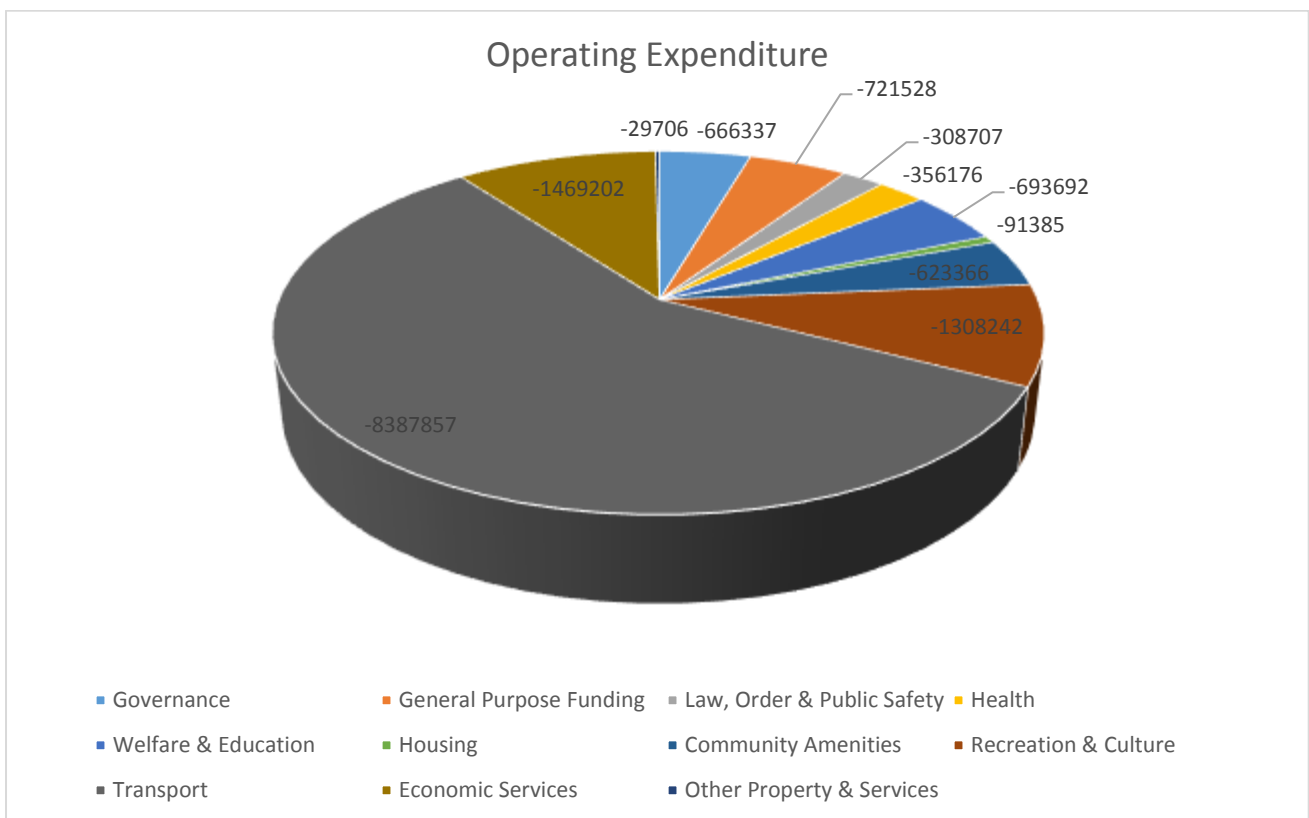

| <b>Capital Income</b>      | <b>2018/19</b>    |  | <b>2019/20</b>   |
|----------------------------|-------------------|--|------------------|
| Governance                 |                   |  | 0.00             |
| General Purpose Funding    |                   |  | 0.00             |
| Law, Order & Public Safety |                   |  | 22,000           |
| Health                     |                   |  | 0.00             |
| Welfare & Education        | 100,000           |  | 0.00             |
| Housing                    | 400,000           |  | 0.00             |
| Community Amenities        |                   |  | 0.00             |
| Recreation & Culture       | 5,513,272         |  | 714,000          |
| Transport                  | 52,787,017        |  | 3,189,521        |
| Economic Services          | 222,000           |  | 387,721          |
| Other Property & Services  | 30,000            |  | 0.00             |
|                            | <b>59,052,289</b> |  | <b>4,313,242</b> |

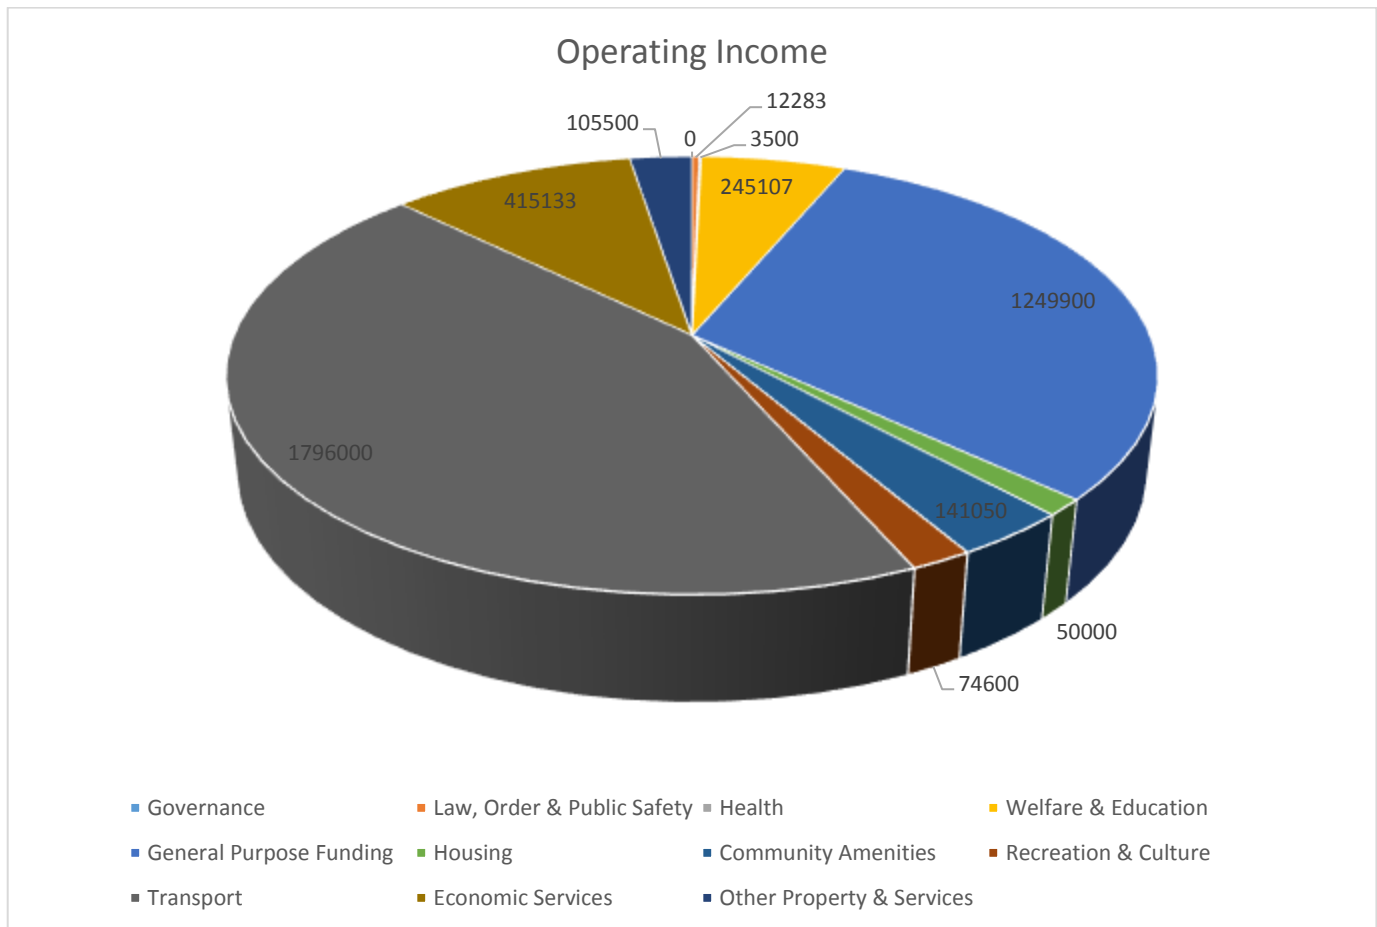

## Summary of Operating Income (INC) and Expenditure (EXP) by Schedule.

Operating, or recurrent expenditure is by its very nature, the expenditure required to run the Shire's day-to-day operations. It is the expenditure required to meet the cost of the varied works and services that the Shire provides to its residents. The income of the council is derived from rates and grants spread over the schedules which make up the 2019/20 budget document.

There are some notable projects identified along with income from various sources. It is not the aim of this summary to record every detail as the schedules contain the detail to identify all projects to be undertaken throughout the financial year.

### Schedule 3 - General Purpose Funding

This Schedule primarily includes funding from the raising of rates and the Federal Financial Assistance Grants distributed by the State Grants Commission.

Income from:

- INC. - Rates after discounts etc. is - \$5,199,900
- INC. - Financial assistance Grants FAG Roads - \$361,700
- INC. - Financial assistance Grants FAG General - \$758,500

Please note that the council has received the first payment of \$1,120,200 in advance and is included in the carried forward figure of the budget which totals \$3,960,158

### Schedule 4 - Governance

In this schedule, it relates to the Councilors budget area and covers such areas as, councilor sitting fees, subscriptions to various associations including the peak body representing local government in WA. The Councilors fees have been increased but still nowhere near the

maximum allowable under the Salaries and Allowances Tribunal determinations and shows the commitment to the strategic plan of the council and the determination to maximize grant funding and recurrent funding through the rates to achieve for the community of Laverton.

### **Schedule 5 - Law, Order and Public Safety**

This schedule covers the following areas: fire control, animal control through a contract ranger. The council has allowed additional funds to assist with the management of camping within the town site areas and for dog control should this become an issue.

- EXP. – Completion of Solar Light Pathway to Wongatha Wonganarra Village.
- EXP. – Purchase of generator for the council offices \$44,000 with grant income - \$22,000

### **Schedule 7 - Health**

The schedule for Health covers the contract Environmental health Inspections, The Shire of Laverton has an agreement in place which has been secured for a further five (5) years. With the major mining companies in this area, providing a package to assist with the retention of the doctor. This income of \$105,000 reflects their contribution.

Exp. - \$210,000 as a cash contribution to secure medical services for Laverton plus the cost of housing, motor vehicle for the doctors.

The council has ensured equity for all mining companies and expunged the contributions from the mining companies and made a consensus decision to fund the agreement entirely from the rate base as some mining companies have not contributed so therefore to ensure this equity for all, the council will not be seeking contributions from the mining companies in this budget and ongoing which will cost the council some \$525,000 (without indexation) over this time.

### **Schedule 8 - Education and Welfare**

With this schedule the following areas of Youth, Community Development including the Men's Shed, Cashless Debit Card etc. A number of these areas receive grant funding from Commonwealth and State governments.

- INC. - Grant from the Cashless Debit Card operations - \$120,000
- INC. - Grant from the Department Community Protection for the Youth Worker \$123,607

### **Schedule 9 - Housing**

The Housing schedule covers all operational costs including maintenance and repairs for staff housing and non-staff housing.

### **Schedule 10 - Community Amenities**

The Community Amenities schedule covers, Domestic waste Collection, General tip maintenance, Town Planning, Cemetery, etc. The proposed revenue from the Waste Collection Charges (set at \$238.00) covers the cost of providing the service but falls short to the overall cost of this section where the council contributes by approx. \$200,000 per annum.

- EXP. - Cemetery improvements continues to be determined by the FLCAG - \$30,000
- EXP. – Fencing of the rubbish disposal site to commence the cleanup and control of the facility - \$50,000

### **Schedule 11 - Recreation and Culture**

The Recreation and Culture schedule covers the swimming pool, town hall, TV and radio re

broadcasting facilities, libraries, parks and gardens etc.

- EXP. – The full cost of running the new Aquatic facility is \$276,317
- EXP. – Commencement of Laver Place Streetscaping - \$50,000

### **Schedule 12 – Transport**

In this schedule it covers roads, (Regional RRG, State and Local roads) including construction, gravel sheeting, flood damage and general repairs and maintenance, Airport Operations, footpaths, plant and equipment etc.

- EXP. - RRG Lancefield Diversion Rd - \$106,868
- EXP. - RRG Bandy Rd - \$122,636
- EXP. – RRG Old Laverton Rd - \$105,117
- EXP. - Flood Damage Roads - \$3,105,395
- EXP. – Continuation to the of Seal Mt Weld Rd \$1,772,131 with contributions from mining Companies Total project Cost \$4.8 million
- EXP. – Gravel road Maintenance - \$1,235,866
- EXP. - Plant and equipment Purchases - \$640,000
- EXP. - Airport Terminal Building Consultancy - \$310,000
- EXP. – Airport Expansion of Apron and Taxi way areas - \$820,000
- INC. – Funding has been received from various funding agencies - \$684,000

### **Schedule 13 - Economic Services**

## **EDUCATION AND WELFARE**

### **Community Bus Hire**

All hire of the Community Bus has to be approved by the CEO or the Executive Manager Corporate and Community Services prior to payment of fees.

|                            |        |      |        |
|----------------------------|--------|------|--------|
| Cash deposit per day       | 200.00 | N/A  | 200.00 |
| Bitumen road per kilometre | 1.00   | 0.10 | 1.10   |
| Gravel road per kilometre  | 1.50   | 0.15 | 1.65   |

#### **NOTES:**

The bus is only covered for hire to Community Groups under the Shire of Laverton insurance agreement. Any hire outside these parameters will require the hirer to produce evidence of carrying their own insurance cover to the satisfaction of the Chief Executive Officer.

In the case of a motor vehicle accident where the hirer is proven to be negligent, the hirer is responsible for the first \$500 (plus GST) arising out of an insurance claim to cover Council's \$500 (plus GST) excess. In all other circumstances, Council will cover the excess.
